## **Navicure Receives #1 Claims and Clearinghouse Ranking in 2017 Best in KLAS: Software and Services Report**

*Leading healthcare revenue cycle management technology is rated #1 Claims and Clearinghouse in over 20 physician category for 4<sup>th</sup> time*

**Atlanta, January 31, 2017**—[Navicure®](#), a provider of cloud-based healthcare claims management, patient payment and data analytics solutions, announced it has been ranked first in KLAS' 2017 Best in KLAS: Software and Services report for Claims and Clearinghouse over 20 physician category.

"It's an honor to once again be included in the Best in KLAS® report alongside the best healthcare technology solutions in our industry," said Jim Denny, CEO of Navicure. "Best in KLAS reflects products and services that added the most value to clients in 2016, so we're happy to know our clients recognize our dedication to making them more successful."

As part of its research, KLAS interviewed participants from various organizations who had first-hand experience with their respective clearinghouse solutions, and interviews focused on comparing the features and functionality of clearinghouse vendors. Navicure ranked highest for direct clearinghouse services under several key indicators, and received a first place overall performance score of 93.6 out of 100.

"The Best in KLAS report celebrates and recognizes vendors who have made significant strides to improve healthcare while addressing changes like payment reform and the shift to population health," said Adam Gale, President of KLAS. "As the years go by, we are continually humbled by the number of providers who share their experiences with us; they make all our reports, especially our Best in KLAS report, possible."
