Navicure Included on Deloitte's Technology Fast 500™ List for Fifth Consecutive Year

Leading medical claims clearinghouse attributes 219 percent growth to industry-leading solutions and commitment to superior client service

Atlanta, GA, October 19, 2011—Navicure, a leading provider of automated, Web-based revenue cycle management (RCM) solutions for physician practices, today announced it ranked number 363 on the Technology Fast 500™, Deloitte's ranking of the 500 fastest growing technology, media, telecommunications, life sciences and clean technology companies in North America. Rankings are based on percentage of fiscal year revenue growth from 2006-2010. Navicure experienced a 219% growth during this period.

"It's an honor to be included on Deloitte's Technology Fast 500 list for the fifth year in a row," said Jim Denny, founder, president and CEO of Navicure. "Our leading-edge technology and commitment to client service have helped us expand rapidly over the last ten years. Our clients will always be our top priority and we look forward to continuing to grow together."

"Navicure, like all 2011 Technology Fast 500™ companies, has excelled in fostering innovation and channeling it into spectacular growth—against the backdrop of one of the most challenging economies in history," said Eric Openshaw, vice chairman and U.S. technology, media and telecommunications leader, Deloitte LLP. "Deloitte recognizes Navicure for its remarkable accomplishment."

"We are pleased to honor Navicure as a 2011 Technology Fast 500 company," said Mark Jensen, managing partner, technology and venture capital services, Deloitte & Touche LLP. "As one of the fastest growing tech companies in North America, Navicure has demonstrated excellence in technological innovation, entrepreneurship and rapid growth."

Navicure was named to the list in 2007, 2008, 2009 and 2010 and ranked number 40, 149, 261 and 289 respectively.

About Deloitte's 2011 Technology Fast 500™

Technology Fast 500, which was conducted by Deloitte & Touche LLP, a subsidiary of Deloitte LLP, provides a ranking of the fastest growing technology, media, telecommunications, life sciences and clean technology companies – both public and private – in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2006 to 2010.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company's operating revenues. Companies must have base-year operating revenues of at least \$50,000 USD or CD, and current-year operating revenues of at least \$5 million USD or CD. Additionally, companies must be in business for a minimum of five years, and be headquartered within North America.

About Navicare

Navicare is a leading Internet-based medical claims clearinghouse that helps physician practices increase profitability through improved claims reimbursement and staff productivity. Serving over 20,000 healthcare providers in practices nationwide, Navicare's solutions automate account receivables processes, including primary and secondary claims reimbursement; patient eligibility verification; rejected and denied claims management; electronic remittance and posting; claims and remittance reporting and analysis; and patient statement processing. Navicare's solution is supported by its unique 3-Ring™ Client Service.

Navicare is a member of the Medical Group Management Association® (MGMA®) AdminiServe® Partner Network and also received Best in KLAS™ distinction for the clearinghouse services market segment as part the *2010 Top 20 Best in KLAS Awards: Software & Professional Services* report. Navicare earned the same distinction in 2008. KLAS is a leading source of information on healthcare information technology vendor performance. Navicare is also the founding sponsor of www.icd10hub.com, a free educational website devoted to making physician practices' transitions to ICD-10 and 5010 easier.
