Navicure Announces 2008 MGMA Conference Sweepstakes Winner

Executive Director at Illinois practice wins Audi TT Roadster

Atlanta, Nov. 18, 2008—Navicure, a leading provider of Web-based account receivables management solutions for physician practices, today recognized Paul Kats, Executive Director at M&M Orthopaedics of Downers Grove, Ill., as the winner of the second annual Navicure MGMA Car Sweepstakes.

The MGMA Annual Conference was held October 19-22, 2008, in San Diego, Calif. The 2009 Audi TT Roadster was displayed at the Navicure booth during the conference and on Tuesday, Oct. 21, a winner was randomly drawn from the hundreds of qualified entries received at the booth. Kats was the lucky winner who drove away with a two-year lease on the silver Audi TT Roadster from Navicure.

"We truly enjoy this opportunity to give back to our clients," says Jim Denny, founder, president and CEO of Navicure. "The sweepstakes has proven to be a great 'conversation-starter' with prospective clients. Many don't realize how their practices can benefit from Navicure's solution until we begin to talk. The way we see it, Paul Kats isn't the only winner in this sweepstakes. Everyone – prospects, clients and Navicure – wins."

About Navicure

Navicure is a leading provider of Web-based account receivables management solutions that help physician practices increase profitability through improved claims reimbursement and staff productivity. Serving thousands of physicians in practices nationwide, Navicure's solutions automate receivables processes, including patient eligibility verification; primary and secondary claims reimbursement; rejected and denied claims management; electronic remittance posting; claims and remittance reporting and analysis; and patient statement processing. Navicure's solution is supported by its unique 3 Ring™ Client Service. Based in Duluth, GA, Navicure was ranked #1 in KLAS' first-ever clearinghouse report (www.klasresearch.com) in May 2008, and ranked #1 among the 2007 *Deloitte Fast 50* and 40th nationally among the 2007 *Deloitte Fast 500*.
