South Carolina-Based Practices Select Navicure For Clearinghouse Services

Award-winning technology to enhance practices' bottom line by speeding claims reimbursement from insurance companies

Atlanta, August 31, 2009—Navicure, a leading Internet-based medical claims clearinghouse for physician practices, today announced the addition of three South Carolina-based practices to its client roster. Lexington Heart Clinic, Premier Surgical Services, PA, and Sunshine Pediatrics all selected Navicure's award-winning account receivables management solutions to help streamline and better manage the claims submission process.

Navicure's Web-based account receivables management solutions automate receivables processes, including patient eligibility verification; primary and secondary claims reimbursement; rejected and denied claims management; electronic remittance posting; claims and remittance reporting and analysis; and patient statement processing. Through the use of these solutions, practices can improve their operating margins and enhance cash flow.

"In light of the current economic conditions, we chose Navicure to help decrease our account receivable days, speed reimbursement and increase office efficiency," said Ann Nunamaker, practice administrator for Premier Surgical Services, PA. "We're confident that Navicure has the expertise we need to help increase our profitability through improved claims reimbursement."

"We selected Navicure because of its high KLAS ranking and excellent customer service," said Shaila Patel, administrator for Sunshine Pediatrics. "We're certain that Navicure's award-winning technology will help us improve account receivables while also easing the burden of tracking claims and searching for proof of filing."

"We are thrilled to be adding these forward-thinking organizations to our growing list of South Carolina-based clients," said Jim Denny, founder, president and CEO of Navicure. "We're committed to meeting each client's individual needs, and are confident that our advanced technology and industry-leading client service will help these practices improve their bottom line."
