The Children's Hospital Selects Navicure As Exclusive Clearinghouse Partner

*Community physicians can access award-winning technology
through the hospital's PedsConnect program*

Atlanta, July 1, 2009—Navicure, a leading Internet-based medical claims clearinghouse for physician practices, today announced that The Children's Hospital (Denver, CO) has selected Navicure as the exclusive clearinghouse partner for its PedsConnect program. As a result, community physicians that participate in this program can leverage Navicure's award-winning technology to better manage and track claims.

PedsConnect is a comprehensive, fully integrated electronic health record (EHR) and practice management system offered by Epic that is exclusively designed for and available to pediatric healthcare providers in Colorado. In an effort to further enhance the revenue cycle component of this program, participating providers will have access to Navicure's Web-based solutions, including primary and secondary claims reimbursement, and rejected and denied claims management.

"We selected Navicure because of its 'Best in KLAS' ranking and reputation for excellent client service," said Mary Anne Leach, CIO for The Children's Hospital. "They are a valued partner in this effort, and we believe their proven technology will help physician practices improve claims management and increase profitability."

"The Children's Hospital has demonstrated thoughtful leadership and innovation with its PedsConnect program," said Jim Denny, founder, president and CEO of Navicure. "We are thrilled to be part of it, serving as its exclusive clearinghouse partner, and look forward to improving the bottom line for area physicians."
