Navicure Named to 2008 *Inc. 5000*

Company recognized as one of America's fastest growing private companies

Atlanta, August 20, 2008—Navicure, a leading provider of Web-based account receivables management solutions for physician practices, today announced that it was ranked no. 1,240 in the 2008 *Inc. 5000*, an annual list of the fastest growing private companies in the country. Rankings were determined based on growth in company revenue between 2004 and 2007. Navicure experienced a 304.8 percent increase in revenue during this period.

To qualify for the *Inc. 500/5000*, companies must be U.S.-based and privately held, independent – not subsidiaries or divisions of other companies – as of December 31, 2007, and have had at least \$200,000 in revenue in 2004, and \$2 million in 2007.

"Our second annual *Inc. 5000* continues the most ambitious project in business journalism," said *Inc. 5000* Project Manager Jim Melloan. "The *Inc. 5000* gives an unrivalled portrait of young, underreported companies across all industries doing fascinating things with cutting-edge business models, as well as older companies that are still showing impressive growth."

Navicure's Web-based account receivables management solutions automate receivables processes, including patient eligibility verification; primary and secondary claims reimbursement; rejected and denied claims management; electronic remittance posting; claims and remittance reporting and analysis; and patient statement processing. Through the use of these solutions, physician practices can increase profitability through improved claims reimbursement and staff productivity.

"We are thrilled to receive this recognition, which is really a tribute to the hard work of our employees and the loyalty of our clients," said Jim Denny founder, president and CEO of Navicure. "As we continue our growth, we are as committed as ever to client service, and the development of innovative and user-friendly technology."

Complete results of the *Inc. 5000*, including company profiles and a list of the fastest growing companies that can be sorted by industry and region, can be found at www.inc5000.com.
